

# O'Lord

Lauren Daigle

Whoa...

Though at times it seems  
Like I'm coming undone  
This walk can often feel lonely  
No matter what until this race is won  
I will stand my ground where hope can be found  
I will stand my ground where hope can be found

Oh, O'Lord O'Lord You hear my cry  
Your love is lifting me above all the lies  
No matter what I face this I know in time  
You'll take all that is wrong and make it right  
You'll take all that is wrong and make it right

Whoa...

Your strength is found  
At the end of my road  
Your grace it reaches to the hurting  
Still through the tears and the questioning why  
I will stand my ground where hope can be found!  
I will stand my ground where hope can be found!

Oh, O'Lord O'Lord You hear my cry  
Your love is lifting me above all the lies  
No matter what I face This I know in time  
You'll take all that is wrong and make it right  
So Right, Right so Right

I will stand my ground where hope can be found!  
I will stand my ground where hope can be found!  
I will stand my ground where hope can be found!  
I will stand my ground where hope can be found!

Oh!!! O'Lord O'Lord You hear my Cry  
Your love is lifting me above all the lies  
No matter what I face I know that in time  
You'll take all that is wrong and make it right  
You'll take all that is wrong and make it right

So right. Right, so right.
