

Come Back To Me Shawty

Tyrese

Come back
I guess it looks like my playa face has got me messed up again
She had me dippin' now I, I'm feelin' guilty
'Cuz you gave me a second chance and damn I did it again
Tryin' be fly
And now I'm sittin' here tryin' to figure out
'How to get my baby back'
I done apologized so many times and girl I don't know
If she's comin' home, damn you tryna be fly, baby
Come back to me shawty
'Cuz you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawty
I can't erase you, ain't no replacin' you
'Cuz you know you got that bomb, bomb
And I'm really missin' you, yeah
Come back to me shawty
'Cuz you takin' my heart away
Girl, I know that it's crazy that we goin' through this again
I know I promised that I wouldn't be so selfish
All my life girl you never gon' be feelin' this way again
Tryna to keep my
Now I realize she ain't worth losin' ya
And I shoulda been witchu instead of doin' her, baby
But I'm gonna do much better, willin' to do whatever
'Cuz I'm tryna keep my, baby
Come back to me shawty
'Cuz you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawty
I can't erase you, ain't no replacin' you
'Cuz you know you got that bomb, bomb
And I'm really missin' you, yeah
Come back to me shawty
'Cuz you takin' my heart away
It's really killin' me
Just tryna leave without you
And I ain't gon' make it if you say I've lost you
So I'll never stop until I get you back shawty

Come back to me shawty
'Cuz you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawty
I can't erase you, ain't no replacin' you
'Cuz you know you got that bomb, bomb
And I'm really missin' you, yeah
Come back to me shawty
'Cuz you takin' my heart away
Come back to me shawty
'Cuz you takin' my heart away
Come back to me shawty, please forgive me
Come back to me shawty
Come back to me shawty
'Cuz you takin' my heart away
Come back to me shawty
