Too Much Love Makin'

Lisa Stansfield

I suppose you take me boy for somebody's fool
By the way, you treat me boy one day you're gonna lose
Oh, in and out of my life each day, having everything your way
But now there's something I've got to say
You've got a case of too much love makin'
I'm giving' all and you're just takin'
I'm in love with you, but that just won't do
No, you've got a case of too much love makin'
I'm givin' all and you're just takin'
I'm in love with you, but that just won't do
You don't know it boy but you're hangin' from a limb
And the odds that you won't fall are gettin' mighty slim
I don't know what's on your mind or if you're just killin' time
I've got to have a love that's for real and mine all mine, oh
You've got a case of too much love makin'
I'm giving' all and you're just takin'
I'm in love with you, but that just won't do
No, you've got a case of too much love makin'
I'm givin' all and you're just takin'
I'm in love with you, but that just won't do
I don't know what's on your mind or if you're just killin' time
I've got to have a love that's for real and mine all mine, oh
You've got a case of too much love makin'
I'm giving' all and you're still takin'
I'm in love with you, but that just won't do
No, you've got a case of too much love makin'
I'm givin' all and you're just takin'
I'm in love with you, but that just won't do
No, you've got a case of too much love makin'
No, you've got a case of too much love makin'
No, you've got a case of too much love makin'
