Innervision

Loxy

I have a home
Longing to roam
I have to find you
I have to meet youSigns of your face
Slowing your pace
I need your guidance
I need to seek my inner vision
Inner visionMy pupils dance
Lost in a trance
Your sacred silence
Losing all violenceStars in their place
Mirror your face
I have to find you
I need to seek my inner vision
Inner vision, Inner visionIt's never too late to reinvent the bicycle
A smile that brings forth energy or life
Giving you force
It's never too late to reinvent the bicycle
A smile that brings forth energy or life
Giving you force
VisionThere's only one true path in life
The road that leads to all leads to one
There's only one true path in life (inner vision)
The road that leads to all (inner vision)Inner vision
Your sacred silence
Losing all violence
