

# Robbery, Assault and Battery

## Genesis

Advisory - the following lyrics contain explicit language:

The streets were deserted though the police were alerted  
They considered the phone call a hoax  
Furtively glancing, they jauntily prancing  
The youth caught the guards unawareSlipping between them, he ought to have seen the  
The eyes and their owner so near  
With torch shining bright he strode on in the night  
Till he came to the room with the safe"Hello son, I hope you're having fun"  
"You've got it wrong, sir, I'm only the cleaner"  
With that he fired, the other saying as he died  
"You've done me wrong", it's the same old song forever, foreverRobbery, assault and battery  
The felon and his felony  
Robbery, assault and battery  
The felon and his felonyHe picked up the diamonds and bundles of fivers  
He pushed them, well, down in his sack  
But the alarm had been sounded, he was completely surrounded  
But he had some more tricks up his sleeve"Come outside with your hands held high"  
"You'll not get me alive, sir, I promise you that, sir"  
With that he fired, the other saying as he died  
"You've done me wrong", it's the same old song forever, foreverRobbery, assault and battery  
The felon and his felony  
Robbery, assault and battery  
The felon and his felony"He's leaving via the roof, the bastard's got away  
God always fights on the side of the bad man  
Bad man, bad man, bad man"I've got clean away but I'll be back some day  
Just the combination will have changed  
Some day they'll catch me, to a chain they'll attach me  
Until that day I'll side the old crime waveIf they try to hold me for trial  
I'll stay out of jail by paying my bail  
And after I'll go to the court of appeal saying  
"You've done me wrong", it's the same old song forever, foreverDone me wrong, same old song  
Done me wrong, same old song  
Done me wrong, same old songDone me wrong, same old song

Done me wrong, same old song  
Done me wrong, same old songDone me wrong, same old song  
Done me wrong, same old song  
Done me wrong, same old song
