Amazing

Alex Lloyd

When all you want to do is rock
But you dont want to bear the shock, no more
When its just swell that fills your eyes
Belated feelings that you have deniedWhen every wolf is at your door
Just like a hundred times before
But you dont want to leave the endYou were amazing
And we did amazing things
And I wouldn't change it
'Cause we were amazing thingsRebuilding bridges in your mind
Your eagerness now is on the line
The plastic mountain at your feet
Divided streets now as you look to find a seatWhen every wolf is at your door
Just like a hundred times before
But you dont want to see the endYou were amazing
And we did amazing things
And I wouldnt change it
'Cause we were amazing thingsAnd I really didnt want that push today
No I really didnt want to end this way
But the things that seem to bind us
Are the things we put behind us on this dayYou were amazing
And we did amazing things
And I wouldn't change it
'Cause we were amazing things
