

High Five

Rittz

You got to give yourself a helping hand
You got to give yourself a fighting chance
What do you give for? What do you live for?
Saturday night, you got to give, you got to take
You got to take yourself to higher ground
You want to be there when the shit goes down
You want to see, you want to see
You want to be there on a Saturday night
And we're gonna do it right
High five
High five
High five
High five
We're gonna party 'til we die
We're gonna party, it's Saturday night until we die
We're gonna party 'cause we're feeling alright 'til we die
We're gonna party, it's Saturday night until we die
We're gonna party everyday and every night until we die
High five
High five
High five
We're gonna party 'til we die
We're gonna party, it's Saturday night until we die
We're gonna party 'cause we're feeling alright 'til we die
We're gonna party, it's Saturday night until we die
We're gonna party tonight, party tonight, party tonight
