

# In the Pines

## Fantastic Negrito

Black girl, black girl,  
don't lie to me  
Tell me where did you sleep last nightIn the pines, in the pines  
Where the sun don't ever shine  
I shiver the whole night throughBlack girl, black girl,  
where will you go  
to the place where the cold wind blows  
In the pines, in the pines  
Where the sun don't shine  
I shiver the whole night throughBlack girl, black girl,  
your man has gone  
now you travel the world aloneyou raised your child  
all by your self  
then the policeman shot him down  
Black girl, black girl,  
where will you go  
to the place where the cold wind blowsIn the pines, in the pines  
Where the sun don't shine  
I shiver the whole night through
