Bienvenue

Saule

This is the way that I walk when I walk to you
This is the way that I see when I see through you
And this is the way that I want to be wanted tooBien
BienvenueX3We made it this far I know that my words are clear
Nothing is as bad as, fear, my dear
And this is the way that we talk when we talk about, loveBien
BienvenueX3This is the way that we talk when we talk about, loveX3Bien
BienvenueX3
