

Thanks for the Memories (The Lindbergh Palace Remix)

Fall Out Boy

I'm gonna make you bend and break (It sent you to me without wait)
Say a prayer, but let the good times roll
In case God doesn't show (Let the good times roll, let the good times roll) And I want these words to make
things right
But it's the wrongs that make the words come to life
Who does he think he is?
If that's the worst you got, better put your fingers back to the key One night and one more time
Thanks for the memories even though they weren't so great
He tastes like you, only sweeter
One night, yeah, and one more time
Thanks for the memories, thanks for the memories
See, he tastes like you, only sweeter, oh Been looking forward to the future
But my eyesight is going bad
In these crystal balls
It's always cloudy except for
When you look into the past
One night stand
(One night stand) One night and one more time
Thanks for the memories even though they weren't so great
He tastes like you, only sweeter
One night, yeah, and one more time
Thanks for the memories, thanks for the memories
See, he tastes like you, only sweeter, oh (They say)
I only think in the form of crunching numbers
In hotel rooms, collecting page six lovers
Get me out of my mind
Get you out of those clothes
I'm a liner away
From getting you into the mood
Whoa One night and one more time
Thanks for the memories even though they weren't so great
He tastes like you, only sweeter
One night, yeah, and one more time
Thanks for the memories, thanks for the memories
See, he tastes like you, only sweeter, oh (One night, one more time)
One night and one more time
Thanks for the memories even though they weren't so great
He tastes like you, only sweeter
One night, yeah, and one more time

(One night, one more time)
Thanks for the memories, thanks for the memories
(For the memories, for the memories
See, he tastes like you, only sweeter
