Fuddy Duddy Judge

Deeeâ€•Lite

Who is the winner of the war?
Is Mother Nature gonna keep the score
Are we one for all or are we all for one
Or on the outside of a deal well done
Slicker than an oil spill cover up
Left alone like a homeless person's cup
As civilations rise and fall
Libraries burn down to the ground
But love remains standing tall
Although history is a matter of opinion
(RAP)
Campaign contributions run the puppet show
Wall street types let the cocaine flow and flow
Media cowards are afraid to speak
The defense fund's the movie of the week
Men in sheeps clothing rob the poor
A bad interpreter could start a war
(MORE RAP)
The jury better hurry on down
Just get on down to planet Earth
Planet Earth...transmitting
Fuddy duddy judge
Fuddy duddy duddy judge
Though we may rise and fall
We must be one for all
Don't let your mind be weak
Don't be afraid to speak
Just look at history
Amd then you've got to see
That hate will never pay
Love is the only way
