

# American Flag

## Cat Power

My friend  
Sits at the drum  
His magic hand  
Feels nothing but  
Time  
Nothing but timeMy old friend  
Sits at the drum  
His magic mind  
Doesn't feel anything  
American Flag is behind  
If I could stand  
To be less difficultMy new friend  
Plays drums all the time  
Her magic heart  
Feels everything  
She plays the difficult parts and I play  
DifficultShe goes shoop shoop eh doop shoop eh doop  
Shoop eh doop eh doop eh doop  
We go shoop shoop eh doop shoop eh doop shoop eh  
Doop eh doop
