Ski Mask Way

50 Cent

Yeah, I'm tryin' to catch me sumthin'
Li'l jokes or somethin' sumthin'**** that watch is nice, that's what you bought from me
That chain is nice, that's what you bought from me
Them earrings is nice, that's what you bought from me
Take that **** off, move I'll break you off properlyYou wanna spray at me? Go head, the last **** that tried
Got hit, keeled over and **** 'til he died
Ya little sister callin' you stupid, reason why?
Her and ya momma in the livin' room now hog tiedI came up wit two new ways to get rich I can't wait
Got a brand new **** and that old **** eight
I be schemin' to put a lil' bread on my plate
Watchin' Dre serve skunk through the hole in the gateI stick a **** for his shine sell 'em back the next day
You thought I really wanted ya **** please
This is stash house, jack pot, leave her them keys
My black G unit hoody just reak of Marijuana**** comin' out my pores in the sauna
I'm serious man I'm so sincere
This the flow right here that **** up Jeffery's career
Make money, take money, yeah **** yeah**** that watch is nice, that's what you bought from me
That chain is nice, that's what you bought from me
Them earrings is nice, that's what you bought from me
Take that **** off, move I'll break you off properlyI get mine the fast way, ski mask way
Make money, make money, money, money
**** if you ask me, it's the only way
Take money, take money, money, moneyWho's dat peepin' in my window, wow
The Feds on me now, they know when I'm sleepin'
They know when I'm wake
I know they got my phone taped I'm screamin' **** JakeI'm tryin to stay out them pens, so I switched states
Bad news V A now that sounds great
I see **** wit that ice on, rims shined up
This towns one big **** waitin' to get ****I holla at A I peoples to get gats
They charged me 500 a piece for two ****
Then I'm back doin' me, I'm back out on a spree
Catch me n' **** slippin' out pumpin' dat DGive me a lil' crew I'll have 'em pumpin' for me
The more product I take the more paper we see
Change my name in N Y they don't know where I be
Yeah, a **** doin' dirt but a **** low key**** that watch is nice, that's what you bought from me
That chain is nice, that's what you bought from me
Them earrings is nice, that's what you bought from me
Take that **** off, move I'll break you off properlyI get mine the fast way, ski mask way
Make money, make money, money, money

**** if you ask me, it's the only way
Take money, take money, money, money
