

Revolution

P.o.d.

More calm than a heartbeat that flat lines
Quiet like a dark street under the moonlight
A phrase of action that's been screamed by the guts of men
 Ever since their first experience
 Injustice, prejudice, discrimination
 A word louder than a gunshot
 And softer than a baby's laugh, it will pass
 Just like it always has, until it spits off the lips
 The next man who's had it upto here
 Did somebody say a revolution?
 Or is it all in my head?
Is that what it takes to make a solution?
 Your revolution
 Not the first or the last to imagine it
Acknowledge the concepts, question and grasp it
 Rebel against the I and bring down the self
 Mutiny me! Overthrow you!
Rebellion starts within, the time is now
 Did somebody say a revolution?
 Or is it all in my head?
Is that what it takes to make a solution, solution?
 Did somebody say a revolution?
 Or is it all in my head?
Is that what it takes to make a solution?
 Your revolution
 (Your revolution)
 Purple skies, Devil eyes, hypnotize
 Little lies, compromise, fireflies
 Samurais, parasite, fly by night, after life, materialize
Look alike, stereotype, do or die, lullabies, black and white
 Did somebody say a revolution?
 Or is it all in my head?
 (Your revolution)
Is that what it takes to make a solution, solution?
 (Your revolution)
 Did somebody say a revolution?
 Or at least, it's been said
 (Your revolution)
Is that what it takes to make a solution?

Your revolution
 No resolution
 (Your revolution)
 And what's your solution?
 (Your revolution)
 And no substitution
 (Your revolution)
 And no resolution
 (Your revolution)
 And what's your solution?
