Coward

Beatrice Eli

All you ever asked from me was honesty
Honestly, you're so fucking naive
Now there's a tear falling down your cheek
Yeah I fucked it up big time this time
I'm so fucking weakYou wanna know why I've been lying
Well I'm a fucking liar
You wanna know why I've been hiding
Well I'm a fucking coward
And it's about time you know
And it's about time you goI don't see what you see in me
Somehow through all my bullshit you still believe
But you can never love me enough
I hate myself too much
And what you ask ain't too much too ask
But too much for me to give
I fucking told youYou wanna know why I've been lying
Well I'm a fucking liar
You wanna know why I've been hiding
Well I'm a fucking coward
And it's about time you go
Yeah it's really about time you goOh I love you...
