

Just Can't Let Her Go

[Isac Elliot](#)

Just can't let her goI've been hypnotized by bright red candy lips and angel eyes
I know that it ain't right her pretty comes with pain my hands are tiedI want her everybody wants her she knows
it
eh eh eh
I want her but I better run away
'cuz I know oh ohShe's so mean but I kinda love it
and i just can't let her go
I'm so whipped
She deserves a medal
She's a tempting animal
Spends too much and I never tell her no
Drives me nuts and she got me by the throat
She's so mean but I kinda love it and I just can't let her go
la la la la la la
I just can't let her goBreaks a billion hearts
I know I'm next in line
But I don't mindI want her everybody wants her she knows it
eh eh eh
I want her but i better run away
'cuz i know oh ohShe's so mean but i kinda love it and i just can't let her go
I'm so whipped
She deserves a medal
She's a tempting animal
Spends too much and i never tell her no
Drives me nuts and she got me by the throat
She's so mean but I kinda love it and i just can't let her go
la la la la la la
I just can't let her goJust one more time
Just one more time
Just one last time
Just one last timeShe's so mean but I kinda love it and i just can't let her go
I'm so whipped
She deserves a medal
She's a tempting animal
Spends too much and I never tell her no
Srives me nuts and she got me by the throat
She's so mean but I kinda love it
and I just can't let her go
la la la la la la

I just can't let her go
la la la la la la
I just can't let her go
