By and By

Jennifer Knapp

See those shoulder bend all weighted by the thought
One more day to carry on, now carry on
Trouble she cannot take
Dreams she would like to take her away, awayI'll be waiting for the sun to rise
So I can start again by and by
Oh I'll be looking o'er my head to the sky
See the clouds open wide reveal my faithMercy me, oh who do you say I am?
Do I not love you, did I not nail a hand?
Trouble I cannot take
Dreams I would like to take away, awayI'll be waiting for the sun to rise
So I can start again by and by
Oh I'll be looking o'er my head to the sky
See the clouds open wide reveal my faithLet the words of my mouth adore you
Next time out, I'm gonna let it fly, yeah
Although my dreams may be tattered
My will my heart battered, I know you will hear my cryI'll be waiting for the sun to rise
So I can start again by and by
Oh I'll be looking o'er my head to the sky
See the clouds open wide reveal my, my faithI'll be waiting for the sun to rise
So I can start again by and by
Oh I'll be looking o'er my head to the sky
See the clouds open wide reveal my faith
