

# Imma Tell

## Tech N9ne

Mama say, "Stop," or I'm gonna tell Papa  
Mama say, "Stop," or I'm gonna tell Papa  
This is the town where the clowns put it down, baby  
Mama say, "Stop," or I'm gonna tell Papa  
Close the door, before ya child hear the sound, baby  
Mama say, "Stop," or I'm gonna tell Papa  
The killa clowns, in your town, raisin' all hell  
Tecca Nina with the stamina comin' to damage ya buckin'  
The bammer, when I bust with a bang  
An' it ain't no clause, that say fraud, ain't no tall tales  
Women love it when I hit, when I covet the booty  
They givin' it to me but it ain't no thang  
We reppin' K.C.M.O. fellas an' the ladies know  
That we comin' with the killas, I'm with the gorillas  
The villains will get you when you disrespect us  
Even the babies know Tech Nina got crazy flow  
We be givin' the women the willy, we sick of the haterz  
Wanna pay us? Go to get this record  
This is important, we be courtin' every place we go  
Get you up in the room, ain't trippin' off of the groom  
I'll give it to you anyway you wanna have it  
Baby, is a horse an' yes of course, I'mma have to break the ho'  
Leavin' the kids at home, I wanna bone alone  
We hoppin' up an' down like jack rabbits  
So many kids put this on their daddy's mind  
Never will I ever put him out there like that feelin'  
That I did Tecca Nina, take it right back  
Tellin' him that the Mommy's boyfriend's Tech N9ne  
Do be lookin' at me like you really wanna fight  
Cat all Tecca Nina, wanna know is where the mic at?  
This is the town where the clowns put it down, baby  
Mama say, "Stop," or I'm gonna tell Papa  
Close the door, before ya child hear the sound, baby  
Mama say, "Stop," or I'm gonna tell Papa  
This is the town where the clowns put it down, baby  
Mama say, "Stop," or I'm gonna tell Papa  
Close the door, before ya child hear the sound, baby  
Mama say, "Stop," or I'm gonna tell Papa
