

The Marsist

Frank Black

If you wanted to get somewhere
And it took you long time to get there
Would you want to rush back here?
I didn't think so Take me somewhere cool
Take a long time, take as long as it takes
Take me somewhere cool
I want to touch that face I have seen the face
I have seen the vacant look
Oh, it's silly, I know Am I a fool? I am not smart as a rat
I'm much smarter than that
I am a fool who wants
To kiss your beautiful face I have seen your face
I have seen that look you gave me
Oh, it's silly, I know Face, I have seen the face
I have seen the eyes
And the brilliant ego Face, I have seen the face
I have waited my whole life
And I really want to go I have seen your face
I have seen the look you gave me
Oh, it's silly, I know Face, I have seen the face
I have seen the eyes
And the brilliant ego Face, I have seen the face
I have waited my whole life
And I really want to go
