Truly Today

Liz Vice

We are the ones who sin
Enslaved from within
but you save halleluRedemption in your hands
and faith from blood that ran
Oh Jesus, you're truthSimply put your life for us
(I sin upon you broke your heart)
Oh you stop the pain throughWe enjoy how can it be
Accepted (a fountain be)
Yes Jesus, Ruakh
The beginning and the end of faith
We are come to love and obey
So remember us, oh Lord
when we come into your kingdom
may we hear you say,
"Truly today you are mine, now and always"In you we can begin
find forgiveness and life within
Holy Spirit, you are (true/truth)Into your hands we commit our lives
Into your heart we will abide
Yes you save, halleluSimply put your life for us
(I sin upon you broke your heart)
Oh you stop the pain throughWe enjoy how can it be
Accepted (a fountain be)
Yes Jesus, Ruakh
The beginning and the end of faith
We are come to love and obey
So remember us, oh Lord
when we come into your kingdom
may we hear you say,
"Truly today we are yours now and always"
hey hey
now and always, yeah
now and always
now and always
yeah(Parenthetical lines/words are not clear)
