

Promise for Christmas

Angelika Vee

decorations deck the hall
the snow is on the ground its winter
i hear the carrols from afront i know
that all i wanna is to have you near me
im standing alone underneath the misletoe
and im thinking were does the time go
outsides getting cold
and ive wonder if you know
that im waiting for you to come home
remember our promise
we made on a christmas eve
no matter the distants
your always be here with me
so when the winters cold
where warm it up with love
i know you with me
wherever i go
its our promise for christmas
our promise for christmas
presents underneath the tree
joyfull playlist all around me
my gift to you is something you can't see
its my love for you thats never ending
im standing alone underneath the misseltoe
an im thinking were does the time go
outsides getting cold
and i wonder if you know
that im waiting for you to come home
remember our promise
we made on a christmas eve
no matter the distants
your always be here with me
so when the winters cold
where warm it up with love
i know you with me
wherever i go
its our promise for christmas
our promise for christmas
remember our promise

we made on a christmas eve
no matter the distants
your always be here with me
so when the winters cold
where warm it up with love
i know you with me
wherever i go
its our promise for christmas
our promise for christmas
