It's You

I Hate Kate

Go, let it go Let it go Put it all behind For youShow, let it show Let it show That you're Not afraid of this For youAnd there's only One person I know That is worth All the time in the world It's youLife, this short life This sweet life Is all I've got I've got for youAnd there's only One person I know That is worth All the time in the world It's youIt's you It's you that Makes me feel it You that Makes me feel so aliveSo alive It's you It's youBorn, we were born We were born In this world of hope I hope it's youAnd there's only One person I know That is worth All the time in the world It's youIt's you It's you that Makes me feel it You that Makes me feel so aliveSo alive It's you It's youIt's you that

Makes me feel it

You that
Makes me feel so alive
So aliveDon't call off
All your feelings
And sew off

All your clothesTo forget me, to forget me All dried up in this weather

Been tied up since forever

So let me, just let me

It's youIt's you

It's you that

Makes me feel it

You that

Makes me feel so aliveSo alive

It's you

It's youIt's you that

Makes me feel it

You that

Makes me feel so aliveSo alive

It's you

It's you

It's you

It's you
