Always

Roberta Flack

Dreams will all come true
Being here with you and time will fly
Carrying each day more than the day before
Till spring rolls by

And when the spring time has gone
Then will my love linger on
I'll be loving you always
With a love that's true always

And when the things you plan
Need a helping hand, I will understand always
Days may not be filled, always
That's when I'll be there, always

Not for just an hour
Not for just a day
Not for just a year but always

Days may not be filled, always
That's when I'll be there, always

Not for just an hour
Not for just a day
Not for just one year but always

Until forever is through
Until there's just me, just you, always
