

Let's Talk About Love

Bryan Adams

Bryan adams, eliott kennedy, jean jacques goldman

Everywhere I go all the places that I've been

Every smile is a new horizon on a land

I've never seen

There are people around the world -

Different faces different names

But there's one true emotion that

Reminds me we're the same...

Let's talk about love

From the laughter of a child to the tears

Of a grown man

There's a thread that runs right through us

And helps us understand

As subtle as a breeze - that fans a flicker

To a flame

From the very first sweet melody to the

Very last refrain...

Let's talk about love

Let's talk about us

Let's talk about life

Let's talk about trust

Let's talk about love

It's the king of all who live and the

Queen of all good hearts

It's the ace you may keep up your

Sleeve - till the name is all but lost

As deep as any sea - with the rage of

Any storm

But as gentle as a falling leaf on any

Autumn morn...

Let's talk about love - it's all we're

Needin'

Let's talk about us - it's the air we're

Breathin'

Let's talk about life - I wanna know you

Let's talk about trust - and I wanna show

You

Let's talk about love
