

Jump Start

Jethro Tull

In the dark of the city backwoods
Something stirs then slips away
Law and order in darkest Knights bridge
Crime and punishment at play Hey Mr. Policeman won't you come on over
Hook me up to the power lines of your love
Jump start, tow me away
Jump start or tow me away And through the bruised machinery
[Incomprehensible] smoking haze of industry 0.49
Another day with ball and chain
I do my time, then home again Hey Mrs. Maggie won't you come on over
Hook me up to the power lines of your love
Jump start or tow me away
Jump start or tow me away Oh we should've blamed the officers?
Or maybe I should blame the priest?
Or should I blame the poor foot soldier
Who's left to make the most from least? Hey, Jack Ripper won't you come on over
Hook me up to the power lines of your love
Hook me up to the power lines of your love
Jump start or tow me away, yeah
Jump start or tow me away You can blame the newsman
Talking at you on the satellite T.V
And if you're fighting for your shipyards
You might as well just blame the sea Hey Mr. Weatherman come on over
Hook me up to the power lines of your love
Jump start or tow me away
Jump start or tow me away
