Jump Start

Jethro Tull

In the dark of the city backwoods
Something stirs then slips away
Law and order in darkest Knights bridge
Crime and punishment at playHey Mr. Policeman won't you come on over

Hook me up to the power lines of your love

Jump start, tow me away

Jump start or tow me awayAnd through the bruised machinery [Incomprehensible] smoking haze of industry 0.49

Another day with ball and chain

I do my time, then home againHey Mrs. Maggie won't you come on over Hook me up to the power lines of your love

Jump start or tow me away

Jump start or tow me awayOh we should've blamed the officers?

Or maybe I should blame the priest?

Or should I blame the poor foot soldier

Who's left to make the most from least? Hey, Jack Ripper won't you come on over

Hook me up to the power lines of your love

Hook me up to the power lines of your love

Jump start or tow me away, yeah

Jump start or tow me awayYou can blame the newsman

Talking at you on the satellite T.V

And if you're fighting for your shipyards

You might as well just blame the seaHey Mr. Weatherman come on over

Hook me up to the power lines of your love

Jump start or tow me away

Jump start or tow me away
