No Regrets

Lecrae

Heart, heart, heart beat
I tell em I'll do it again in a heart beat
heart beat.
heart, heart, heart beat
Verse 1:
(and they say) You only live once, so live it up tonight
I hope we live twice, cause I cant wait to give up this life
dont get me wrong, i love fam and my experience
been around the world and back, seven wonders i don seen them
number eight is just us wondering what happens when we perish
and i dont want no regrets, ima tell the ones i cherish
that i love em, thinking of em, on this red eye flight to paris
if i die before i wake, at my wake please tell my parents
that your son will positively wake in paradise
life is like a pair of dice, so watch the ones you rolling with, Roll the clip
of my life, you gon see a bunch of empty bottles
broken hearts and blurry nights, facebook likes and twitter follows
im not living for today, cause tomorrow looking pleasent
and the future is a gift eventhough this is the present
yea i do believe in heaven, but my actions aint the key
them gates remain locked if everything follow me
Hook:
So let em know
that when i come to the end of my road
and they ask me was it worth it?
the hurtin the pain and the life i chose
I'll do it again in a heart beat
heart beat, heart heart heart beat
I'll tell em I'll do it again in a heart beat
heart beat, heart heart heart beat
and i die with no regrets

Verse 2:
You not a leader cause they follow you on twitter
and you not a man, based upon your age and your gender
if you die tonight you probably die a boy, chasing toys
objectifying these women thinking they gon bring you joy
dont you want more than last nights braging rights, whats your life?
i know its hard to think about underneath these flashing lights

scratch the surface, money's worthless when it comes to finding purpose
if you keep the end in focus you cant keep it when its over
and when its over, this something else starts
only thing thats really gon matter is that hope inside your heart
what you trusting in, when you lusting in,
for that busted momma, that struting in
and you poppin bottles, you throwing dollars
thats cool but partner, this just in.
that you gon live forever whether you want to or not
some of us gon end up holy some of us gon end up hot
tell this life to keep my problems, kiss my momma when im gone
tell her i have no regrets, and im home, im home.
Hook:
So let em know
that when i come to the end of my road
and they ask me was it worth it?
the hurtin the pain and the life i chose
I'll do it again in a heart beat
heart beat, heart heart heart beat
I'll tell em I'll do it again in a heart beat
heart beat, heart heart heart beat
and i die with no regrets
Heart beat...heart heart heart beat
I'll tell em I'll do it again in a heart beat
heart beat, heart heart heart beat
and i die with no regrets.
