

# Take Me Away

## Lifehouse

This time all I want is you  
There is no one else  
Who can take your place This time you burned me with the way  
You see past all the lies  
You take it all away I've seen it all and it's never enough  
It keeps leaving me needing you Take me away  
Take me away  
I've got nothing left to say  
Just take me away I try to make my way to you  
But still I feel so lost  
I don't know what to say, what else to do I've seen it all and it's never enough  
It keeps leaving me needing you Take me away  
Take me away  
I've got nothing left to say  
Just take me away Don't give up on me yet, don't forget who I am  
I know I'm not there yet, but don't let me stay here alone This time all I want is you  
There is no one else  
Who can take your place I've seen enough and it's never enough  
It keeps leaving me needing you Take me away  
Take me away  
I've got nothing left to say  
Just take me away You take me away  
Take me away  
I've got nothing left to say  
Just take me away
