## Take Me Away

## Lifehouse

This time all I want is you

There is no one else

Who can take your placeThis time you burned me with the way

You see past all the lies

You take it all awayI've seen it all and it's never enough

It keeps leaving me needing youTake me away

Take me away

I've got nothing left to say

Just take me awayI try to make my way to you

But still I feel so lost

I don't know what to say, what else to doI've seen it all and it's never enough
It keeps leaving me needing youTake me away

Take me away I've got nothing left to say

Just take me awayDon't give up on me yet, don't forget who I am I know I'm not there yet, but don't let me stay here aloneThis time all I want is you There is no one else

Who can take your placeI've seen enough and it's never enough
It keeps leaving me needing youTake me away

Take me away
I've got nothing left to say
Just take me awayYou take me away
Take me away
I've got nothing left to say
Just take me away
