Lost At Sea

Alove for Enemies

I've seen your corporation send so many to their graves
All for a profit that is used to continue the killing
You kill them
Night for night, shot for shot, your only goal is murder
You shut it out, you drown it,
You try to hide your guilt from night to night, shot for shot
Your only goal is murder
I won't be fooled, I won't turn away, I will not sit back
You're killing them, you're hiding behind your advertising
You say it's for fun as they drive off and never come back
My friends are gone
I won't turn away, I won't look away
No more murder, no more lies, no more wasted children's lives
