

# My Aphrodisiac Is You

Katie Melua

Some people say  
That oysters make you come on strong  
But I don't buy it  
I don't believe my diet turns me on Won't take no pills  
That's the last thing that I need to do  
I can't deny it  
My aphrodisiac is you Alright, I could sniff some powdered rhino horn  
And go to bed in rubber gloves  
But I don't need no stimulation  
Potions, balms or embrocation  
I'm in love, in other words Don't smoke no grass  
Or opium from old Hong Kong  
That hubble bubble, just makes me see you double  
All night long Don't waste my time  
With Spanish fly and roots to chew  
They 'cause me trouble  
Because my aphrodisiac is you Alright, I could sniff some powdered rhino horn  
And go to bed in rubber gloves  
But I don't need no stimulation  
Potions, balms or embrocation  
I'm in love, in other words Some people like  
To read the first  
But I don't need it, I think if I should read it  
I'd be worse Don't ask me why  
Because baby, I ain't got a clue  
I just concede it  
My aphrodisiac is ahh you
