

# Sophisticated Swing

[Michael Feinstein](#)

Honey, mascara your eyebrow and come with me  
We're gonna step into highbrow society  
Doin' the platinum plated sophisticated swing There'll be an orchestra playin' the latest hits  
While we are swingin' and swayin' down at the Ritz  
Doin' a perfectly mated sophisticated swing My, we must dance refined  
Still if you're inclined to go to town, we'll go dear Honey, we're gonna got to it in style deluxe  
And we can just about do it on seven bucks  
Doin' a newly created sophisticated swing Honey mascara your eyebrow and come with me  
We're gonna step into highbrow society  
Doin' the platinum plated sophisticated swing There'll be an orchestra playin' the latest hits  
While we are swingin' and swayin' down at the Ritz  
Doin' a perfectly mated sophisticated swing My, we must dance refined  
Still if you're inclined to go to town, we'll go dear Honey, we're gonna got to it in style deluxe  
And we can just about do it on seven bucks  
Doin' a newly created sophisticated Doubly delighted and magically mated  
Relievingly related and sweetly united  
With passion ignited and joy unabated, we sing  
Doin' the new renovated sophisticated swing
