Kids Wanna Rock

Bryan Adams

Turned on the radioÂ
Sounded like a discoÂ
Musta turned the dial for a couple of miles
But I couldn't find no rock 'n rollÂ
This computerized crap ain't gettin' me offÂ
Everywhere I go the kids wanna rockÂ London to L.A.Â
Talkin' 'bout the New Wave
For a couple of bucks you get a weird haircut
And waste your life awayÂ
Around the world or around the blockÂ
Everywhere I go the kids wanna rockÂ Get me my D.J.Â
I got somethin' he's gotta playÂ
I wanna hear it I can't waitÂ
Turn it up, turn it up, yeah owhKick down the barricadesÂ
Listen what the kids sayÂ
From time to time people change their minds
But the music is here to stayÂ I've seen it all from the bottom to the topÂ
Everywhere I go the kids wanna rockÂ Around the world or around the blockÂ
Everywhere I go the kids wanna rockÂ Everywhere I go the kids wanna rock
