

# Kids Wanna Rock

[Bryan Adams](#)

Turned on the radio  
Sounded like a disco  
Musta turned the dial for a couple of miles  
But I couldn't find no rock 'n roll  
This computerized crap ain't gettin' me off  
Everywhere I go the kids wanna rock London to L.A.  
Talkin' 'bout the New Wave  
For a couple of bucks you get a weird haircut  
And waste your life away  
Around the world or around the block  
Everywhere I go the kids wanna rock Get me my D.J.  
I got somethin' he's gotta play  
I wanna hear it I can't wait  
Turn it up, turn it up, yeah owh Kick down the barricades  
Listen what the kids say  
From time to time people change their minds  
But the music is here to stay I've seen it all from the bottom to the top  
Everywhere I go the kids wanna rock Around the world or around the block  
Everywhere I go the kids wanna rock Everywhere I go the kids wanna rock
