

Let the Rest of the World Go By

Mitch Miller & The Gang

With someone like you, a pal good and true
I'd like to leave it all behind and go and find
Some place that's known to God alone
Just a spot to call our own
We'll Find perfect peace, where joys never cease
Out there beneath a kindly sky
We'll build a sweet little nest somewhere in the west
And let the rest of the world go by
(Musical Interlude)
We'll Find perfect peace, where joys never cease
Out there beneath a kindly sky
We'll build a sweet little nest somewhere in the west
And let the rest of the world go by
