

# Aeons

## YOB

In the heart of the mind  
    Feel it burn  
    Another dark stain  
    The pulsating strain  
    With no peace  
In the heart of disease  
    Feel the pain  
Cannot deal with what is  
    The catharsis  
    Will soon begin  
Confused weakened and blind  
    The weight of despair  
Cracks open the ddoor  
    Shakes to the core  
    Inner sleep  
Crushing aeons to dust  
    Regain the space  
    The ageless expanse  
    The gateless entrance  
    Inside me  
    Feel it burn  
    Feel it tonight  
    All belief  
    The other shore  
    Reach it tonight  
    Feels all right  
There's no peace- why can't i leave it all behind  
    Feel it  
The other shore- why can't i reach it tonight  
    Feel it  
It's all so useless hopeless demons that curse and deny  
    Feel it  
And i know there's more truth to this life  
    There's more than this  
    Look up to the sky  
    It all crashes down  
    It makes no sense  
To me something inside pushes endlessly  
    Can no longer ffight what will be
