Yeah, back off 'n' ease up
Stack it up, you crack me up
Back off 'n' ease up Yeah, back off 'n' ease up
Stack it up, you crack me up
Back off 'n' ease up Reload Beats smokin'
Can't keep up
Ya jokin'
What d'ya mean?
Spit it out
Ya practically chokin'
Sweatin', ya soakin'
Yeah we provoking
Can't take it? Don't fake it
My ego don't need stroking
Play the game in stages
Keep it outrageous
Keep up ya two faced antics
An' one day you might be famous
Take another selfie
Keep it toxic and unhealthy
Keep on social climbing
An' one day you might be wealthy Hash tag ya livin'
Hash tag the dream
Hash tag ya friends in a generic magazine
Instagram ya dinner like you're a starving refugee
Snap chat ya granny while she pisses in a latrine Hash tag ya livin'
Hash tag the dream
Hash tag ya friends in a generic magazine
Instagram ya dinner like you're a starving refugee
Snap chat ya granny while she pisses in a latrine
Back off 'n' ease up
