In the Woods Somewhere

Hozier

My head was warm,
My skin was soaked.
I called your name 'til the fever broke.When I awoke
The moon still hung.
The night so black that the darkness hums.I raised myself.
My legs were weak.
I prayed my mind be good to me.An awful noise
Filled the air.
I heard a scream
In the woods somewhere.A woman's voice!
I quickly ran
Into the trees with empty hands.A fox it was,
He shook afraid.
I spoke no words,
No sound he made.His bone exposed,
His hind was lame.
I raised a stone to end his pain.What caused the wound?
How large the teeth?
I sure knew eyes were watching me.The creature lunged.
I turned and ran
To save a life I didn't have.Dear in the chase
There as I flew
Forgot all prayers of joining you.I clutched my life
And wished it kept.
My dearest love
I'm not done yet.How many years
I know I'll bear
I found something in the woods somewhere.
