

Doomsday Jesus

Black Label Society

Kill your past and all you thought you knew
Blacked out, hatred running through & through
Horsemen rolls, tomorrow's fading fast
Make damn sure, ain't nothings gonna lastOhh
Ohh

Doomsday Jesus we need you now
Ooh
Ooh

Doomsday Jesus we need you nowSouls that bleed have nowhere left to run
Blind the crucifix and shoot the gun
Generals speak, we leave a trail of dead
Keep on killing 'til there's nothing leftOhh
Ohh

Doomsday Jesus we need you now
Ooh
Ooh

Doomsday Jesus we need you now
