

When I Fall in Love

[Nat King Cole](#)

When I fall in love, it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun
When I give my heart, it will be completely
Or I'll never give my heart
And the moment I can feel that you feel that way too
Is when I fall in love with you
And the moment I can feel that you feel that way too
Is when I fall in love with you
