

That's the Way Love Goes

Merle Haggard

I've been throwing horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four-leafed clover Yet you ran with me
Chasing my rainbows
Honey I love you, too
And that's the way love goes That's the way love goes, babe
That's the music God made
For all the world to sing
It's never old it grows Losing makes me sorry
You say, "Honey, now don't worry
Don't you know I love you too
And that's the way love goes That's the way love goes babe
That's the music God made
And for all the world to sing
It's never old it grows Losin' makes me sorry
You say, "Honey don't worry"
Don't you know I love you too
And that's the way love goes
