

We Can (Wideline Radio Edit)

[LeAnn Rimes](#)

They'll try to stop the dream we're dreamin'
But they can't stop us from believing
They will fill your head with doubt
But that won't stop us now
So let them say we can't do it
Put up a road block
We'll just run right through it 'cause[Chorus]
We can do the impossible
We have the power in our hands
And we won't stop 'cause we've got
To make a difference in this life
With one voice, one heart, two hands, we can
They say the odds are stacked against us
But that can't hold us back, we will be relentless
There's a voice they're gonna hear
A voice so loud and clear
So let them say we can't do it, give us a mountain, and we're gonna move it 'cause[Chorus]
We're gonna make a
change today (make a change today)
Because we've got the faith it takes
To win this race, so let them say we can't do it
Put up a road block
And we'll just run right through it 'cause[Chorus]
I can (oh I can)
Do the impossible (do the impossible)
I have the power in my hands, and I won't stop
Cause I've got to make a difference in this life
With my one voice, one heart, two hands, we can
