

# Wicked Lounge

## Royal Hunt

Caviar and champagne, big golden rings and expensive cigars  
Sweaty butts on a couch which cost as much as ticket to Mars  
Phony smile... Those eyes as they pay unbelievable price  
For the right to decide what to do - for me and you House in France and a Benz -  
You see, the whole world's right in their hands  
Such a waste - Wicked Lounge's a happening place.  
Balding guys - filthy rich and every one's such a son of a bitch Country's sold, country's bought.  
They're trading wars and can you tell me why not?  
Write a check - or a pass? It's just as easy as scratching your ass  
What is right? What is wrong? Pay the price and it won't take too long  
To decide what is right thing to do - for me and you  
Maybe this makes you sick  
You see, the point is their wallet's too thick
