She Makes Me Wanna

JLS

Oh oh oh oh oh oh OK!
Its dev and JLS! JLS!
Oh oh oh oh oh oh
Yeah
Oh oh oh oh oh oh

I can't explain what's got into me
My sanity is in the passenger seat
I let her drive me she is my guide
We're flying reckless tonight

[Bridge:]
Direct me to the floor
And turn it up some more
Imma get it on on on on!
Direct me to the floor
And turn it up some more
Imma get it on on on on!

[Chorus:]
She makes me wanna
Oh oh oh oh oh oh ah ah!
Makes me wanna
Oh oh oh oh oh oh!
London to Jamaica,
L.A. to Africa
She makes me wanna
Oh oh oh oh oh oh!
Makes me wanna
Oh oh oh oh oh oh!

I think her eyes are hypnotizing me
Something about her turns me into a wild beast
I mesmerized, down for the ride
We're flying reckless tonight

[Bridge:]
Direct me to the floor
And turn it up some more
Imma get it on on on on ah ah!

Direct me to the floor
And turn it up some more
Imma get it on on on on!

[Chorus:]
She makes me wanna
Oh oh oh oh oh oh ah ah!
Makes me wanna
Oh oh oh oh oh oh!
London to Jamaica,
L.A. to Africa
She makes me wanna
Oh oh oh oh oh oh!
Makes me wanna
Oh oh oh oh oh oh!

[Dev verses:]
Well that's kind of funny
I-i was just thinking
How you make me oh-oh-oh
We're flying over buildings
Sitting under palm trees
drinking bubble gum drinks
We're counting all our monies
Dancing in ice rinks
Buying icies (it's nothing)
We're loving
We're worthy of this
Look where I come from
Now this world our kingdom!

[Chorus:]
She makes me wanna
Oh oh oh oh oh oh
Makes me wanna
Oh oh oh oh oh oh!
She makes me wanna
Oh oh oh oh oh oh
Makes me wanna
Oh oh oh oh oh oh!
She makes me wanna
Oh oh oh oh oh oh
Makes me wanna
Oh oh oh oh oh oh!
She makes me wanna

Oh oh oh oh oh oh
Makes me wanna
Oh oh oh oh oh oh!

London to Jamaica,
L.A. to Africa
She makes me wanna
Oh oh oh oh oh oh!
Makes me wanna
Oh oh oh oh oh oh!
