Who Feels Love

Oasis

Found what I lost inside
My spirit has been purified
Take a thorn from my pride
And hand in hand, we'll take a walk outsideThank you for the sun
The one that shines on everyone who feels love
Now there's a million years
Between my fantasies and fears, I feel loveI'm leaving all that I see
Now all my emotions fill the air I breatheNow you understand
That this is not the promised land they spoke of
There's nothing more to be
If you can be the remedy who heals loveI thank you for the sun
The one that shines on everyone who feels love
Now there's a million years
Between my fantasies and fears, I feel loveI thank you for the sun
The one that shines on everyone who feels love
Now there's a million years
Between my fantasies and fears, I feel love
