Mind over Mechanics

Channel Zero

your wish is my command mind over mechanics
with control i can own it all mind over mechanics
brains computer interface
navigate in a virtual world
kill control death and silence
mind over mechanicsi'm looking forward to my destiny
i'm burning out so fast inactivity
i'm fighting for my place to be
i'm alive again
mind over mechanics
scan my brains track the code
information overload
suck my feelings from my disk
be prepared take the risk
digest my technologyi'm looking forward to my destiny
i'm burning out so fast inactivity
i'm fighting for my place to be
i'm alive again
mind over mechanics
i'm looking forward to my destiny
i'm burning out so fast inactivity
i'm fighting for my place to be
i'm alive again
mind over mechanics
