I Want You To Stay

Marsha Ambrosius

Stay, baby, oh
You know I want you to stay, oh, baby
Oh, I would love you to stay, oh, baby
Look into my eyes, see these tears I cry for you
I can't take this heartache, baby
This heartache of mine, oh, I
Oh, I wish that I could find a way, oh, baby
But I need your love, you don't love me anymore
Tell me why'd you go away?
I would give you anything, it is you that I adore
Please, baby, take my hand
And I will show you the way 'cause you know
You know I want you to stay, oh, baby
Oh, I would love you to stay, oh, baby
You know I want you to stay, oh, baby
Please look into my eyes, see these tears I cry
Cry for you, baby, cry, cry, cry, cry

Takes me back to that old feeling
You know that it feels like love
I said some things I didn't mean and, oh
It's never enough 'cause you don't love me anymore
Tell me why'd you go away?
I would give you anything, it is you that I adore
Please, baby, take my hand
And I will show you the way 'cause you know
You know I want you to stay, baby
Oh, I would love you to stay, oh, baby, yeah
You know I want you to stay, oh, baby
Please look into my eyes, see these tears I cry
Cry, yeah
Cry, baby, cry, baby, cry, baby, cry
Cry, baby, cry, baby, cry, baby, I cry, yeah
For you, baby
Cry, oh, I, oh, I, I cry, oh, I, I cry, cry
