

# Backwards and Upwards

Ramona Lisa

Love  
What a mean  
Poison arrow welcome to me  
What a shot  
When I  
Bent over to tie shoe lacesCut it out  
At the seed  
And the rip is a rotation  
Drawing O  
In the sky  
With no answers in the jury  
Uh huh, backwards and upwards  
Uh huh, backwards and upwards  
Uh huh, backwards and upwards  
Uh huh, backwards and upwards  
Backwards and up, up, up upTake the wheelOh the driver is fine  
But the passenger is carsickBack it up  
Turn around  
Like a ferris wheel I shift it  
"O it burns  
But it cleans"  
Say the nurses in their tunics  
"Just admit  
You were wrong  
It's the opposite of foolish"  
Uh huh, backwards and upwards  
Uh huh, backwards and upwards  
Uh huh, backwards and upwards  
Uh huh, backwards and up, up, up up  
Backwards  
Backwards  
Uh huh, backwards, backwards  
Words, words, words,.
