All for You

Tye Tribbett

all for You
It's all for You
It's all for YouI've the seen the world
None of it compares to You
I can't deny it, without You
I won't make it through, through'Cause I see You, You see me
More than what these people see
You looked at the worst in me
And still loved meYou can change the night to day
Make my problems fade away
Fixed the mess that I have madeWhat can I say, what can I do
To show You that I'm all for You?
There's nothing to hide, there's nothing to prove
To show You that I'm all for You
I'm all for You, I'm all for YouI've spoken many words
They've sounded so absurd
To think I gave You part of me
When all is what You're worthAnd now I'm standing here
Waiting to face all my fears
To show You I belong to You
And nothing else comparesI see You, You see me
More than what these people see
You looked at the worst in me
And still loved meYou can change the night to day
Make my problems fade away
Fixed the mess that I have madeWhat can I say, what can I do
To show You that I'm all for You?
There's nothing to hide, there's nothing to prove
To show You that I'm all for You
I'm all for You, I'm all for YouI know You in the dark
When my heart is blind and searching
Rip me all apart, then back together
Like a surgeonKinda like a single mom
'Cause she was always working
Just to make the better life for me
So I ain't hurtingNow I'm back to business
So first I'll be Your witness
Your loves got me tripping
Or maybe you keep pipingBrand new life I'm living

Enjoying every minute
You gave everything for me
And now it's time I give my all for YouWhat can I say, what can I do
To show You that I'm all for You?
There's nothing to hide, there's nothing to prove
To show You that I'm all for You
I'm all for You, I'm all for You
It's all for You
