

# **Say (Interlude)**

## **Matt Cab**

Say you love me like I love you  
No other words I'd rather hear from you  
Girl, I love you more than you'll ever know  
And I will never let you go  
So say you love me like I love you (you know that I love you)  
All the things that we've been through (all that we've been through)  
Girl, you're sweeter than cherry pie  
You're the apple of my eye  
Lalalalalalalala [x3]
